## ABOUT ME

I am a creative and detail-oriented Frontend Developer with strong skills in HTML, CSS, JavaScript, and Bootstrap. Experienced in designing responsive websites and creating visually appealing designs using Canva. Passionate about UI design, editing, and delivering clean, user-friendly interfaces. Actively learning and upgrading frontend technologies.

## EDUCATION

### June 2023 – May 2026

The American College,  
Madurai

### Bachelor of Computer Applications (BCA)

Pursuing a strong foundation in computer applications with focus on programming, web technologies, and problem-solving.

### June 2024 - May 2026

NxtWave – CCBP 4.0  
Academy

### Frontend Development & Programming Training

Hands-on training in HTML, CSS, JavaScript, Bootstrap, and Responsive Web Design.

Solved 1400+ coding problems and earned a Gold Badge through consistent practice.

## EXPERIENCE

### Educator Intern

CCBP 4.0 Academy, Hyderabad

### May 2024 – Oct 2024

Handled 182+ hours of live sessions on frontend development concepts.  
Taught HTML, CSS, and responsive design basics to learners.  
Assisted students in building clean and structured web pages.

### Frontend Developer Intern

Infogenx Private Limited,  
Chennai

### Jan 2025 – May 2025

Designed frontend layouts for login pages using HTML, CSS, and JavaScript backend using python.  
Focused on UI structure, styling, and page responsiveness.  
Collaborated with team members to enhance visual consistency.
